About MercyOne

MercyOne operates an integrated system of hospitals, clinics and other health care facilities in your communities, providing accessible care, training the next generation of care givers and working to improve the overall well-being of our communities.

At MercyOne, health care is more than just a doctor's visit or a place to go when you're in need of medical attention. Our Mission is based on improving the health of our communities – that means not only when you are sick but keeping you well.

MercyOne medical centers are strategically placed in Iowa's largest cities, with critical access hospitals in rural areas to make sure health care is accessible for everyone. MercyOne is committed to improving the health and well-being of all the communities we serve.

Mission and Vision

Our Mission: We, MercyOne, serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities.

Our Vision: As a mission-driven innovative health organization, we will become the national leader in improving the health of our communities and each person we serve. We will be your most trusted health partner for life.
